

Serving the Collinsville Unit 10 School District Communities

Our Vision

A healthy, safe, drug-free community for everyone.

Our Mission

To foster a healthy, drug-free environment for adults and youth in the Collinsville Unit 10 School District Communities by promoting and supporting effective systems and programs.

Our Members

Team 10 is made up of community members, parents, youth, businesses, agencies, organizations and educators committed to healthy living.

New members & partnerships are always welcome!
